## PRODUCT INFORMATION

✓ ALCOHOL-FREE

✓ CONFORMS TO HALAL REQUIREMENTS

✓ CONFORMS TO INTERNATIONAL AOAC 960.09 SANITATION STANDARD

✓ EFFECTIVE AGAINST KNOWN BACTERIA AND VIRUSES

✓ GENTLE ON HANDS

## Alcohol-Free Foaming Hand Sanitiser

Alcohol-free foaming hand sanitiser utilises the effective bacterial and virucidal control properties of ANK Neutral Anolyte and Quaternary Ammonium Compounds. This unique product is ideal for use where alcohol based products are an issue; or if there is a need to avoid dry skin problems often associated with alcohol- based products.

### SAFE PRACTICE

ANK Neutral Anolyte – Contains Hypochlorous Acid. Powerful yet benign sanitiser effective against a wide range of bacteria and viruses.

5th Generation - Quaternary Ammonium Compound – Effective against envelope and non-enveloped viruses.

Both active ingredients are in the EPA product claims List N for use against SARS-CoV2, the virus that causes COVID-19: [www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2](http://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2)

As a viable alternative to alcohol based products it demonstrates the following results when tested against the international standard AOAC 960:09 by an accredited laboratory.

Organism	LOG <sub>10</sub> Decrease	% Decrease
E. coli	>5.9	>99.999
S. aureus	>5.2	>99.999
L. monocytogenes	>5.1	>99.999
Salmonella Menston	>6.3	>99.9999
C. albicans	>3.8	>99.9

### DIRECTIONS

Apply directly to hands from the dispenser. Lather well and then rub briskly over palms between fingers and then back of the hands. Repeat if necessary.

### APPROVALS

**MPI APPROVED C51** (All animal product except dairy)

C51 – This product may be used as a hand washing and sanitising compound in all areas.

### GENERAL

Hand Foaming Sanitiser for pathogen control.

### PROPERTIES

#### APPEARANCE

Clear slightly coloured liquid

#### FRAGRANCE

Amine

#### FOAM VOLUME

High

#### pH VALUES

6-8 (neutral)

#### TOXICITY

Not hazardous to human health

#### DISPOSAL

May be disposed of through wastewater systems
